## Highlights European Parliament 2004-2009 - Economical Affairs

MEPs have adopted legislation aiming to give Europe a stable and competitive financial services industry which gives priority to the interests of consumers. Parliament has been pressing the Commission for a more rapid response to the financial crisis and a better overall system of supervision for Europe's still fragmented financial services markets.

### This product aims to illustrate the following topics:

- Rise of food prices
- Rise of fuel prices
- Car industry crisis
- Unemployment
- Real state and financial crisis
- Banking crisis
